

PET Felt cleaning instructions

PET Felt products are extremely durable and require little attention to maintain their appearance and life expectancy. Light dusting on a regular basis will prevent dust build up. Most marks can be cleaned with a mild detergent solution followed by rinsing and blotting. Stains should be dealt with according to the chart below.

Before carrying out a proposed cleaning method, apply to a concealed section to ensure it will not affect the product. Avoid cleaning methods that create severe abrasion.

recommended cleaning methods

stain	treatment guide
blood	A + C
chewing gum	I + B + D + C
chocolate	B + D + C
cooking oils	B + D + C
crayon/color markers	B + D + C

ink (fountain)	A + C
lipstick	B + E + C + D
mildew	C
milk	A + E
mud	B + C
nail polish	A + G
paint (water based)	A + F + C
paint (oil based)	A + H + D + C
shoe polish	B + C + D
wine	A, add salt, C

treatment guide key

- A** Blot up excess as soon as possible with a clean sponge or cloth.
- B** Remove excess with a knife edge or appropriate instrument. Be careful not to cut into the surface.
- C** Sponge with a solution of carpet shampoo working from outside the stain in a circular motion towards the center (this avoids spreading the stain). Sponge afterwards with clean warm water and blot excess moisture with a clean dry cloth or sponge. Allow to dry then brush gently with a soft brush. If any stain remains, sponge with a solution of one part household bleach to six parts clear water. Thoroughly rinse after treatment.
- D** Lightly sponge with household dry cleaning fluid and blot. Apply sparingly, as the substance may have an adverse effect on the adhesive.
- E** Sponge with methylated spirits and blot dry.
- F** Lightly lubricate the stain with glycerin or petroleum jelly.
- G** Apply nail polish remover. The nail polish remover should not include lanolin or be of a greasy nature.
- H** Lightly sponge with turpentine (or substitute).
- I** Freeze with ice cubes and scrape away while cold.
- J** Clean with regular extractive carpet cleaner (if necessary).
