

adaptabilities

Professional workspaces

From executive offices to reception stations and boardrooms, Adaptabilities™ meets all your office needs. With over 370 modular components, this series offers unparalleled flexibility. Adaptabilities is constructed from premium-grade, high-performance thermally fused laminate with 3mm thick matching edges, available in a number of finishes to suit your style.

Additional information can be found on the Global [website](#).

Management offices

When designing an office environment, achieving harmony between design and functionality is paramount. Adaptabilities' components seamlessly integrate into the workspace. Worksurfaces and bow front desks are complemented by coordinating cabinetry and credenza options.

Boardrooms and conference spaces

Adaptabilities enhances executive workspaces with premium components: serving carts, audiovisual cabinets, whiteboards and visual boards, all designed to meet the needs of modern boardrooms. The robust 1 ½" thick conference tables, available in a range of shapes and sizes, exude strength and sophistication for any meeting.

Adaptabilities and Divide

For increased privacy, Adaptabilities seamlessly integrates with Divide™, our modular desk mounted panel system. Create semi-private areas with glazed panels using laminate, fabric or glazed options. Divide panels are vertically stackable and are available in a wide range of widths for a fully customized appearance.
