

WELLNESS SCREENS  
bridges II

# Sophisticated workplace wellness

Bridges II extended height screens offer a styled, protective wellness solution to retrofit existing benching installations. These translucent screens enhance individual peace of mind while continuing to promote productivity in collaborative spaces.

## Features

- Two height options: 25”H (54” finished height) or 31”H (60” finished height)
- Widths from 36” to 84”
- Lightweight and easy to clean table-mounted partitions
- Translucent fluted polycarbonate screen
- Painted aluminum frame available in all standard Bridges finishes
- Includes all connecting hardware
- Center divider sits over the gap between the worksurface allowing for the passage of cables to the trough. The gap for each side is approximately 1”.
- ¼” overhang on the sides
- Dividers extend 6.25” from the front edge of each surface
- Radius end trim (Charcoal finish only)

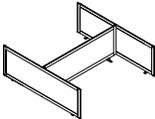

## 25”H Screen = 54”H Overall

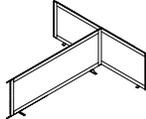

## 31”H Screen = 60”H Overall
