Privacy where and when you need it

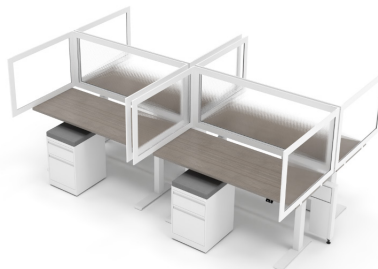

FreeFit extended height screens offer a styled, protective wellness solution to retrofit existing individual workspaces. The screens can be installed on any other height adjustable table of the same size. The translucent screens softly diffuse light and sight to create privacy without being obtrusive.

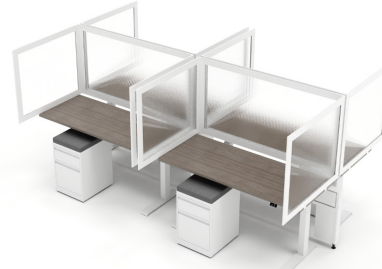

Features

- Two height options: 25"H (54" finished height) or 31"H (60" finished height)
- Lightweight and easy to clean table-mounted partitions
- Translucent fluted polycarbonate screen
- Painted aluminum frame available in 9 colors
- Includes all connecting hardware
- Back divider extends over the back edge of the worksurface by 1 1/2" allowing for cable pass through
- 1/4" overhang on the sides
- Side dividers extend 7.25" from the front edge of each surface
