

Lateral Files 9300 & 9300 Plus Series™

9300 Series Lateral Files Recessed Centre Pull

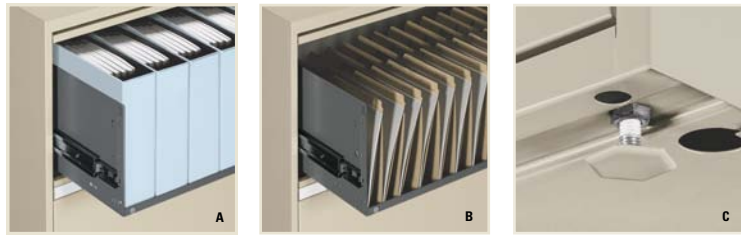

9300 Plus Series Lateral Files Looped Full Pull

The 9300 Series professional lateral file capability at an economical price available with fixed or receding drawer fronts. Solid construction delivers a cabinet with quality and durability. A variety of great features are offered including EDP and ring binder capabilities, all with the flexibility of three file widths.

The 9300 Plus Series has the look of higher end cabinets but at a reduced cost to the end user. Levelling glides keep the file case true, ensuring that drawers are easy to open.

A. Ring binder storage in "B" type receding door openings. **B.** Full depth shelves for legal documents. **C.** Levelling glides.

Features

- Levelling glides standard
- Cam locks with removable cores are standard
