

metal shelving

Global's metal shelving provides heavy duty storage solutions for office supplies and other bulky items. Shelving units are available in three depths with six durable shelves and are secured together with self-locking nuts to achieve optimum strength and safety. Shelves are made from 20 gauge steel, which allows each shelf to hold loads up to 300 lbs. evenly distributed. Rounded edges and corners prevent possible cuts and clothing snags, while floor glides protect the existing floor surface.

12" deep metal shelving unit with six shelves. 36"W x 12"D x 72"H

18" deep metal shelving unit with six shelves. 36"W x 18"D x 72"H

24" deep metal shelving unit with six shelves. 36"W x 24"D x 72"H

Metal shelving units can be fastened to a wall, ganged together, or positioned beside one another to provide storage for large or small areas. Assembly is quick and easy with a standard screwdriver. Available in Charcoal finish only.
