

PERSONAL LOCKERS
prime

Prime personal lockers

Prime™ is a premium metal filing and storage series designed for versatility and durability. Built with fully welded, reinforced steel construction and integrated full pulls, Prime personal lockers offer exceptional strength for all your storage needs. Designed to accommodate both dedicated and unassigned users, these lockers come in various heights and capacities to suit diverse needs. With options for laminate or metal fronts, you can personalize the space to fit your style. Perfect for defining areas in open spaces or aligning along walls, Prime lockers are available in configurations ranging from 1 to 12 individual compartments, depending on size.
