Reflect, Refresh, Renew your vision
with everything that's new from Global.
New Spaces™, new Softpod™ models and
new seating for workplace, education
and healthcare. We connect people and
spaces with furniture solutions that are
welcoming, supportive and sustainable.

Collaborative Spaces

Collaborative Spaces

Bring people together. Collaborative Spaces™ fosters teamwork through adaptable environments that can transform at a moment's notice or evolve over time. Optimize existing spaces with individual pieces or create new ones with the full range of mobile team carts, work tables and accessories. Scale up, scale down, create a space for the way you work.

Collaborative Spaces shown with Silver frames and worksurfaces in Blizzard. Team carts shown with Silver frames and surfaces in Noce Leggero. Softpod and Drift seating shown.

Office Spaces

Office Spaces shown with Nevada legs, surfaces in Custom Grey and storage fronts in Sheer Beauty. PET Felt backboard and modesty panel shown in Mist. Drift seating shown.

Office Spaces

Office Spaces™ is a unique desking architecture addressing current and future private office trends with flexible footprints and a coordinated collection of products in the Spaces collection. Modular in design, Office Spaces is self-supporting for easy reconfiguration or relocation. A progressive palette of finishes and materials supports the light look of this contemporary desking line.

Left: Office Spaces shown with Nevada legs, surfaces in Custom Grey and storage in Sheer Beauty. PET Felt backboard and modesty panel shown in Mist. Noetic seating shown.

Top: Office Spaces shown with Blizzard legs, surfaces and storage in First Class. PET Felt backboard shown in Mist. Collaborative Spaces hospitality cart and Noetic seating shown.

Open Spaces

Open Spaces™ brings a sense of place and belonging to the next generation of the open office workplace. A palette of materials and finishes surrounds the softened geometry of each shape and surface. Standing or sitting, everything to support your day is within reach, you're relaxed and you feel at home.

Open Spaces shown with Designer White frames, worksurfaces and storage in Sheer Beauty. PET Felt modesty panels, pedestals and hanging pegboard screens shown in Pewter. Noetic seating shown.

Rambler

Rambler

A playful series of modular benches, Rambler™ is ideal for collaborative and community spaces in workplace and education environments. Create lively, relaxed layouts with a variety of shapes and sizes in two seat heights. Available with glides or casters, Rambler responds as quickly as the day unfolds.

Rambler seating shown in Knoll Looped In, Snowbird and Ivy with casters. River+ tables shown.

Quora

Quora™ brings the look and comfort of contemporary lounge seating to a casual work chair with passive ergonomics. The sculpted seat and back move independently of one another at a defined ratio that corresponds to the natural motion of the body when reclining.

Left to right: Quora seating shown in LUUM Milieu, Leap with polished aluminum base; LUUM Milieu, Bloom with Black base; Everywhere Texture, Cream with polished aluminum base; and DesignTex Micro Tweed, Pine with Black base.

Softpod

Softpod

Softpod™ responds to the changing landscape of today's workplace and educational environments, providing a place for focus and engagement as you move through your day. Now featuring meeting pods with a height adjustable surface—including the new 2-divider pod, which offers a compact footprint with an ample worksurface, and the option of lockable casters for easy relocation.

Softpod shown in PET Felt, Pewter, Mist and Denim, with worksurface in Noce Grigio. Noetic seating shown.

Include

Include

Include™ features a kinetic, synchro-tilter mechanism that automatically adjusts to a person's weight, providing a fluid motion with the correct tension and balance. It is Global's first seating series for boardrooms, meeting rooms and executive offices to offer this feature.

Top: Include seating shown in Designtex Stamp, Goldenrod with Black base.
Right: Include seating shown in CTL Prescott Leather, Black Ink with polished aluminum base.

Grier Family Clinic

Comprise

Grier Family

Comprise

Comprise™ advances the benchmark for healthcare seating in waiting areas, community spaces and consultation rooms. The injection molded nylon arms and legs are gently contoured, warm to the touch, easy to clean and impervious to infection control cleaning protocols. Available in five frame colors, two back heights, freestanding and modular configurations, with optional sealed seams and a moisture barrier.

Seating shown with Toast frames, Designtex Silicone Reveal, Mica seats, and LUUM Particulate, Granule backs. Tables shown with White Chocolate tops.
