

POWER BEAM evolve

Power, data and technology at your fingertips

Power Beam is simple, the elevated raceway supports individual and collaborative work without sacrificing access to power or data. Modular design and a wide range of available options make Power Beam easy to use, integrate and expand to suit any application or space. Its compatibility with all Global Contract desking, storage and tables ensures endless layout possibilities.

Frameless privacy base
Add on to base unit or extension modules up to 54"H with 6"H, 9"H, 12"H

Extension modules
Add on to base units up to 42"H with 6"H, 12"H, 18"H panels
Available in fabric, glass, laminate, whiteboard, air flow and open

Base units
with power raceway up to 24"H, 30"H, 36"H

Teaming

Three heights, multiple connection options, and integration with fixed and adjustable height tables provide enhanced flexibility in open plan environments.

Collaboration

Power Beam carves out spaces for casual meeting areas while providing the ability to plug and play.

Power Up

Standard duplex outlets, powered USB receptacles and data outlets can be housed along the beam for easy access no matter the application.
