

BEDSIDE CABINETS
aldon

healthcare

Convenient personal storage

Bedside cabinet with three drawers on casters, solid surface top

Bedside cabinet with three drawers on casters, thermofoil top and drawer fronts

Bedside cabinet with two drawers and a fixed shelf on plinth base

Bedside cabinet with one drawer and an opening door on metal legs

Aldon™ bedside cabinets offer personal storage for patients and residents. Available in a range of configurations, Aldon blends seamlessly with existing decors. With a straight profile and durable finishes, the design respects housekeeping protocols and infection control. Matching dressers and wardrobes complete the Aldon collection.

A closer look

Locks

Locks are optional and provide extra security for personal belongings.

Drawer liner

Optional high impact polystyrene drawer liner is removable for room transfer and cleaning.

Drawer slides

Full extension ball bearing drawer slides are constructed using high quality precision steel. The optional soft close drawer slide ensures an easy and quiet closing motion.

Handles

Eight handle options are available. All handle options deliver minimal interference, gentle contours and generous hand clearance to accommodate people with reduced vision or limited mobility. Custom handle options are available for larger projects.

Doors

Commercial quality 110° door hinges.

Tops

Standard 1" thermally fused laminate tops with 3mm PVC edge are field replaceable. PVC edge on the tops, gables, drawers and door fronts provide peace of mind for greater long term performance. Optional solid surface tops provide enhanced durability and cleanability when required. High pressure laminate and thermofoil tops are also available upon request.

Spill collector

Optional spill collector is available on thermofoil finished tops.

Drawers

6" high drawer box provides ample storage capacity.

Ventilation

Cut-outs with grommets in the back for ventilation reduce odors and bacterial growth.

Legs/base

Available with metal legs, plinth base or on casters. Leg/base/casters options are interchangeable in the field.
