

WARDROBES
aldon

healthcare

Maximize small spaces

Aldon™ wardrobes add ample storage space to patient and resident rooms. Wardrobes are available in a range of configurations, including narrow sizes for smaller spaces. With smooth surfaces and durable finishes, Aldon is designed to respect housekeeping and infection control needs. All wardrobe components are conveniently replaceable for long-term performance. Matching bedside cabinets and dressers complete the Aldon collection.

Additional information can be found on the Global [website](#).

A closer look

Safety garment rail

All wardrobes feature a J-style safety clothing rail for added safety and peace of mind.

Ventilation

Cut-outs with grommets in the back for ventilation reduce odors and bacterial growth.

Locks

Locks are optional and provide extra security for personal belongings.

Drawers

6" high drawer box provides ample storage capacity.

Drawer slides

Full extension ball bearing drawer slides are constructed using high quality precision steel. The optional soft close drawer slide ensures an easy and quieter closing motion.

Brackets

Anti-tip brackets are included for greater safety.

Tops

1" thermally fused laminate tops with 3mm PVC edge are standard.

Handles

Eight handle options are available. All handle options deliver minimal interference, gentle contours and generous hand clearance to accommodate people with reduced vision or limited mobility. Custom handle options are available for larger projects.

Doors

Commercial quality 110° door hinges.

Legs/base

Available with Tungsten metal legs or plinth base. Leg/base options are interchangeable in the field. For wide wardrobes, a fifth leg is included for extra stability.
