Superior ergonomics

Extended high back multi-tilter

High back multi-tilter

Aspen™ is a multi-featured task chair that delivers superior ergonomics, affordability and contemporary styling. What makes Aspen unique is the form fitting back profile. It's the result of years of extensive testing to determine the optimum support for the widest possible range of users and body types.

Seating shown in Allante FRee, Warm Smoke with polished aluminum bases.

Contemporary styling

Medium back multi-tilter

Back view

Aspen provides independent seat and back angle controls to accommodate individual preferences and body sizes. The universal design of the adjustment levers feature easy to understand symbols as well as braille for sight impaired users. The extended back models include a height adjustable padded headrest.

Additional information can be found on the Global [website](#).

It's in the details
