Armchair

Armchair (with front casters)

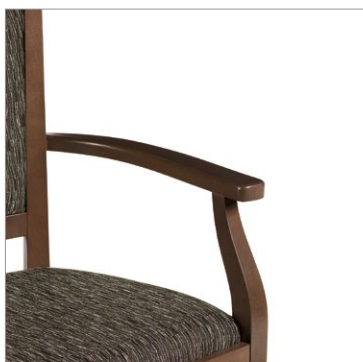

Side chair

Desmond™ seating is an excellent choice for any room with transitional or contemporary décor. The chair's clean lines and picture frame back design appeal to a broad range of tastes. Desmond's contoured back provides firm support to the body for outstanding comfort. The frame, made from European Beech hardwood, is enhanced with soft curves on the arms and legs. An additional brace on the lower frame reinforces structural support.

## Features

Contoured picture frame style back

Arm with grip extension

Additional support rails for increased strength

Models with front casters are available to assist caregivers in moving the chair
