healthcare

Erin brings work and wellness together

From boutique hotels to wellness resorts, the rich experiences that designers create for the hospitality industry are on the move to the places where we work, learn and heal. Erin™ seating is our latest contribution to this changing landscape, crossing conventional boundaries of work and play with options to support a diversity of people and interior applications.

Erin can be specified with sealed seams, moisture barrier and a wide range of Global performance textiles to support healthcare applications and environments with enhanced housekeeping protocols. The sculpted back provides an integrated clean out for ease of cleaning. Wood or metal legs are available in a range of finishes and glide options.

Additional information can be found on the Global [website](#).

Armless guest chair, wood legs

Guest armchair, metal legs

Features

Wrap around design of the back provides comfort and support

The sculpted back provides an integrated clean out for ease of cleaning
