

flap

Expand the audience, indoors and out

Flap™ is a lightweight, durable folding chair that can expand the audience quickly for large gatherings or support more people in small spaces. For use indoors or out, the sleek, comfortable, all technopolymer design makes Flap a versatile favorite for offices, schools, event venues and patient rooms.

Store and stack in tight spaces

With its slim folding design, Flap measures just 2.5" and stores most anywhere. Stack chairs up to 24 high on a dolly or use the wall hook to hang up to two chairs for easy access on a wall or inside a closet or wardrobe. Flap Dolly and Wall Hook ordered separately.

Additional information can be found on the Global [website](#).
