Timeless and affordable style

Vertical wood slat back

Upholstered back

Clean lines and graceful contours make GC Beach™ a perfect blend of practical and classic. Its slim design makes it the ideal choice for smaller patient and resident rooms, while being perfectly at home welcoming guests into larger lounges and dining spaces.

The solid, European beechwood frame has a 300 lb. active weight rating and is protected with an environmentally friendly urethane top coat. Add an optional moisture barrier to provide maximum durability for any multi-purpose use. GC Beach is available in two back frame options and a wide selection of standard Global wood finishes.

Additional information can be found on the Global [website](#).
