# A chair for every body

**Medium Back**  
Petite Seat

**High Back**  
Standard Seat

**Extended High Back**  
Generous Seat

GC Tritex® is designed to support healthcare professionals in demanding acute and eldercare environments. The series accommodates a range of body types with back height, seat size, arm and mechanism options. A seamless seat, one stitch pullover back upholstery and other infection control details ensure durability and easy housekeeping.

3 select your mechanism

4 select your base

Seating shown in CF Stinson Gravity, Flame.

# A closer look

## Infection Control

One stitch pullover back upholstery

Durable polypropylene back shroud

Seamless seat

Optional moisture barrier on seat

Underside of seat pan is completely sealed

**Slender Back Cushion**  
Slender upper back cushion allows unrestricted arm and upper body movement

**Adjustable Back Height**  
A concealed ratchet-style back and lumbar height adjustment provides 5¼" adjustment

**Memory Foam Spine Pad**  
A unique spine pad made of molded foam and a memory foam inset is incorporated into the backrest. The spine pad is activated by body heat and pressure to provide custom back support

**Schukra™ Lumbar Support**  
A simple rotating lever adjusts the depth of lumbar support

**Standard Arms**  
G6 Arms move in five directions and feature wide armcaps made from soft durable polyurethane. Many other arm options available

**Adjustable Seat Height**  
Each seat size has a specific seat height adjustment range. A choice of Soft Descent™ pneumatic cylinders allow users to select a seat height range that matches their lower leg length

**Adjustable Seat Depth**  
With multi-tilt and synchro tilt mechanisms, seat can slide forward and back to match thigh length

**Adjustable Tilt Tension**  
Multi-tilt and synchro-tilt mechanisms allow the user to adjust balance/spring tension for smooth tilt movement that matches body weight

Standard with dual wheel carpet casters. Also available with dual wheel casters for hard floors

# Standard specifications
