

gdc wind

healthcare

A welcoming environment

GC Wind™ lounge seating creates a relaxed atmosphere even where space is at a premium. Ideal for waiting spaces, patient rooms, family suites and common areas, GC Wind helps people connect and heal in healthcare environments. Designed for easy housekeeping and maintenance, the series features a unique open frame construction and fully encased seat cushions that are removable and replaceable.

Seating shown in CF Stinson Gravity, Tide with Chrome leg frame. Wind tables shown in Clear Maple with Chrome leg frame.

Comfort in every style

Lounge chair

High back lounge chair

Two seat sofa

High back two seat sofa

High back three seat sofa

This series is available in both low and high back versions supporting various interior layouts. The high back GC Wind provides increased upper body comfort for those who sit for longer periods of time.

Additional information can be found on the Global [website](#).

Square corner table

Rectangular coffee table

Complement the seating series with Wind tables. Table tops are available in any standard Global laminate finish with a square edge detail.

It's in the details
