

Granada Deluxe™

Granada Deluxe™

Granada Deluxe. Style, adjustability and a unique lumbar support.

Granada Deluxe™ seating is the next generation of comfort and support. Global revisited its famous Granada series giving it a more contoured shape, with a slightly larger seat and back, more heavily padded cushions and a new modern armcap design.

Granada Deluxe has the largest back/lumbar height adjustment range in our industry (5¼") ensuring you can get the support exactly where you need it.

High back synchro knee-tilter

Medium back multi-tilter

Width adjustable T-arms with soft touch self-skinned urethane (SSU) armcap

Height adjustable T-arms are standard for effective arm support

Height adjustable back/lumbar support

Adjustable seat depth is standard on multi-tilter models and optional on knee-tilters

Left: Seating shown in Allante, Black.

Granada Deluxe™

Select models feature a Schukra depth adjustable lumbar support allowing each user to adjust the curvature of the back to exactly match their body and support requirements.

Medium back operator

Operator drafting stool with arms

All Granada Deluxe models feature contoured seats with waterfall edges

Lever adjusts lumbar in and out to suit users needs and comfort requirements

Leather models feature additional stitch details

Optional Polished Aluminium base with Black end guards

Granada Deluxe™

Granada Deluxe Multi-Shift Multi-Tilters

Granada Deluxe 24 HR models are constructed with heavy duty components for multiple users who will occupy the chairs up to seven days a week, three shifts a day.

Intended for active users up to 350 lbs, these rugged chairs are truly intended to stand the test of time in intensive use work environments.

High back heavy duty multi-tilter

Medium back heavy duty multi-tilter with Schukra

Seat cushion is made with Ultracell high density and resilient foam

Clear vinyl bumper guards around outside back to prevent damage from impact with other furniture

Heavy duty tilt tension control provides customizable tilt resistance for individuals who weigh up to 350 lbs.

Standard base is made from reinforced nylon with carpet casters

Granada Deluxe™
