Folding chair upholstered seat and back

Folding chair upholstered seat and wood back

Janna® features a unique folding frame, making it an excellent solution for temporary guest seating where space is limited. Available with an upholstered or wood back, Janna is ideal for resident/patient rooms, dining rooms, waiting rooms, lobbies, exam rooms, assembly halls and more. Concealed folding mechanism uses metal-to-metal construction details with lock tight fasteners. An optional wall bracket allows the chairs to be conveniently stored while not in use.

## Features

Seats are standard with high density Ultracell foam

Optional wall mounting bracket

Non-marking glides are standard
