# A thoughtful ergonomic task chair

Noetic™ is a thoughtful ergonomic task chair. This versatile seating series responds to the varied nature of today's workplace by adapting to an individual's posture, movement and how they work. Noetic's sleek profile and contemporary look complement a range of formal and casual environments, including assigned, touchdown and co-working spaces.

Seating shown in Fog frame with upholstered seats in Luum Megacheck, Glitch and backs in Dimension Mesh, Fog, Bridges II and Softpod shown.

# Make it fit

Mesh back (shown) or upholstered back

Four frame colors: Black, Shadow, Fog and Cloud

adjustable stool, task basic swivel

Armless upholstered back height  
adjustable stool, task basic swivel

## More than mesh

All Noetic models are available with an upholstered back, a great option for meeting spaces when coupled with a fixed P-style arm. Choose from a comprehensive selection of Global Carded and Alliance Partner textiles. Upholstered back models have an outer back in Dimension Mesh that coordinates with the selected frame color.

Seating shown in Shadow frame with upholstered seats and backs in Luum Macrotweed, Anthropocene and outer backs in Dimension Mesh, Shadow. Kadin shown.

# Mesh palette

Dimension Mesh (7 colors)

Digital Mesh (6 colors)

# Frame finishes

Fog frame and base

Shadow frame and base

Black frame and base

Cloud frame and base

Personalize your Noetic chair with a choice of seven Dimension Mesh and six Digital Mesh colors. Bring it all together with four frame finishes, matching arms and bases, and a comprehensive selection of Global Carded or Alliance Partner textiles.

Additional information can be found on the Global [website](#).
