# A modern wingback designed for healthcare

Oakville™ is a modern interpretation of the classic wingback chair that is well suited to social settings, resident rooms and lounge areas. The transitional styling and fine tailoring complement a range of modern and traditional interiors.

Oakville has been designed specifically for healthcare and wellness environments with seat and arm dimensions tuned to achieve maximum comfort and an overall height that supports caregivers' visual access to occupants.

Additional information can be found on the Global [website](#).

Shown in Knoll, Flower Power, Daydream with Momentum Flock, Nautical seat and wood legs in Medium Walnut. Vitrola cushion shown. Calidon square end table shown.
