

COMFORT
obusforme®

Impressive comfort and support

High back multi-tilter

Medium back knee-tilter

ObusForme Comfort is recommended by chiropractors worldwide. Its unique support system helps reduce back strain by guiding your back into a correct healthy posture. The backrest supports the natural lazy “S” curve of your spine.

Select models feature a depth adjustable lumbar support. All models feature a contoured seat, seat depth adjustment and height/width adjustable arms. Available in an array of fabric, vinyl and leather options.

Multi-shift heavy duty 24 HR multi-tilters

High back heavy duty 24 HR multi-tilter

Medium back heavy duty 24 HR multi-tilter

24 HR models are designed for multi-shift use and will accommodate users up to 350 lbs. ObusForme Comfort is renowned for providing exceptional back comfort.

Features

It's in the details

ObusForme Comfort

Width adjustable arms can accommodate a wide range of users and working styles

Armcap slides forward or backward to desired position (rotates 30° to provide more effective support for keyboarding)

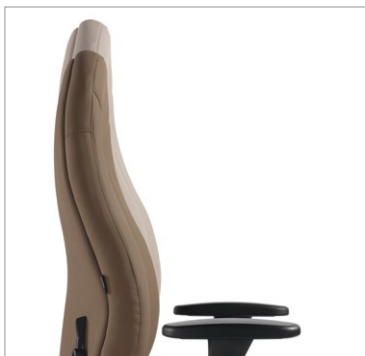

Arms are height adjustable for effective arm support

A sliding seat depth adjustment is featured on knee-tilters, multi-tilters and synchro-tilters

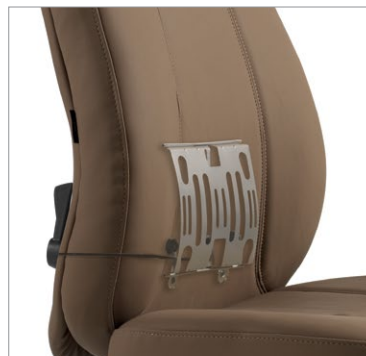

ObusForme Comfort multi-shift heavy duty 24 multi-tilters

Back height adjustment enables the user to position the lumbar support to their personal preference

Contoured seat shape effectively supports the pelvis and hips in a comfortably balanced position

Select Schukra™ models are equipped with a depth adjustable lumbar support

Elastomeric back support system provides support with no pressure along the spine
