

RECLINER
primacare

healthcare

Comfort and adjustability at your fingertips

Upright position

Footrest extended

Primacare™ recliners are ideal for common rooms, family rooms, patient rooms, lounge areas, maternity rooms, intensive care and recovery areas. A flush mounted, recline release handle and removable seat cushion are just a few of the chair's unique features. Armcaps are designed with a contoured forward grip extension to assist the user with getting in and out of the recliner easily and safely.

Recliner shown with Walnut solid wood partial front armcaps (shown in both upright position and with footrest extended).

Infinite recline positions

Primacare recliners are suited to space conscious environments. They are well proportioned and attractive with contours that provide body support and comfort. They provide infinite recline positions that allow the user to adjust the degree of the recline to best suit their comfort level. Weight capacity is warranted to 350 lbs.

Features
