A classic reimagined

The Primacare™ Wingback lounge chair is an enduring style celebrated from one generation to the next. Primacare presents this classic chair in a design that speaks to its historic charm with a simplified and contemporary aesthetic.

Primacare Wingback has a healthcare compliant design that includes seat clean out and integrated lumbar support. Grip assist arms in wood or urethane help with getting in and out of the chair safely. Moisture barrier and sealed seams are available as options.

See and be seen

The overall back height offers comfortable head support while also providing the caregiver a direct sightline from all angles. Primacare Wingback is available in standard, bariatric and two seater models with coordinating ottomans.
