

rambler

Rambler responds as your day unfolds

Rambler™ is a playful series of ottomans designed for collaborative and community spaces in workplace, education and select healthcare environments. Rambler creates lively, relaxed layouts with a variety of shapes and sizes in two seat heights.

Shown in Knoll Looped In, Snowbird, Foliage and Ivy with Night legs. River+ tables shown.

Getting together

Create inviting and informal spaces for people to relax, socialize, work and study.

Above: Shown in Knoll Looped In, Snowbird, Foliage and Ivy with casters. Swap table shown.

Any way, any place

Rambler offers several geometric shapes in different sizes that come together easily to provide a mix of casual and lively configurations. Tops and sides can be specified separately in your choice of fabric, vinyl or leather. Optional moisture barrier supports advanced cleaning protocols.

Additional information can be found on the Global [website](#).

A great partner

Rambler is also a great partner for our ML Park lounge (shown above) and other Global lounge series. Both series are BIFMA LEVEL 3 certified and covered by Global's Limited Lifetime Warranty to provide years of service.

Shown in Designtex Cozy Texture, Rust top and Designtex Hint, Pinkish sides with Night legs, and Designtex Hint, Currant with Night legs. ML Park seating and River+ tables shown.

A casual conversation

Complement Rambler ottomans with laptop and occasional tables to support mobile work and informal conversations. Rambler is available on glides in two seat heights and also on casters at a standard seat height.

Shown in Knoll Looped In, Snowbird and Ivy with casters. River+ and Swap tables shown.
