A quiet harbor

Bring people together in a place where ideas, insight and inspiration can be shared. River™ supports an endless array of curvilinear and rectilinear configurations with seating in three back heights and benching. Seating and tables can be specified with power and USB charging for mobile devices.

Additional information can be found on the Global [website](#).

Seating shown in Morbern Allante FRee, Bright White seats and headrests, and Momentum Odyssey, Skim backs with Tungsten legs. Tables shown in White Chocolate with Tungsten legs.

We meet again

We meet, we work and we meet again. Our schedules are a constant flow of people, processes and communication. One moment, we are a small group; the next, a larger group. Often, we take time to collect ourselves before moving on. Flexible and adaptable, we react to the changes happening around us. We are the river, rushing toward a quiet harbor.

Seating shown in Morbern Allante FRee, Gibraltar Ash seats and headrests, and Momentum Odyssey, Rue backs with Black legs. Tables shown in Asian Night with Black legs.

Tall order

Transform open areas into private spaces with high back and extended back models. River can be specified with two textiles, creating unique and engaging color compositions for your space. The series is GREENGUARD and BIFMA LEVEL 3 certified and backed by Global's Lifetime Warranty.

Collect your thoughts

Sometimes, keeping your distance from the crowd can be a good thing. River Personal Harbor provides a quiet environment to collect your thoughts, work through challenges, or find a relaxed spot for virtual meetings.

Additional information can be found on the Global [website](#).

It's in the details
