Personalized comfort

Sora is designed with each individual in mind and is fully compliant with the latest BIFMA G1, GSA and CGSB specifications. Its upper backrest shape encourages you to move freely in whichever way you prefer. Sora is standard with a 4.4" independent lumbar adjustment that easily slides to support your posture. Available in medium and high back heights, Sora features a modern, elasticized mesh that conforms to your shape.

24" h

Seats shown in Momentum Millennium, Onyx, backs shown in Vue mesh, Pool Blue.

A closer look

High Back

26" above the seat supports shoulders of most users

Medium Back

24" above the seat

24 standard mesh colors

Three arms to choose from; height adjustable (E2), height and width adjustable (E3) and fully ergonomic movement (E4), all with 4.5" of height travel

Side-to-side independent height adjustable lumbar support provides 4.4" of customized support and modifies the mesh form to improve user comfort

Armcaps slide forward and backward, side-to-side and pivot inwards and outwards (E4 arms only)

Self-adjusting balance/spring tension to match user's body weight for comfort and support

When in tilt mode, allows the user to increase the angle between the back and thighs

Seat depth adjustment travels up to 3" (generous seat travels 2.25")

Weight sensing synchro-tilter mechanism

Three cylinder options offer 4" or 5" of travel to accommodate different seat height ranges

Bases are available in Black or Polished Aluminum

Carpet casters are standard
Optional hard flooring casters are available

It's in the details

Armcap Features

Armcaps slide inwards and outwards 1"

Armcaps pivot 20° inwards / 10° outwards

Armcaps slide forward and backward 2"

Arm Features

Arm width features 1.4" of travel

Adjustable arm height, 4.5" of travel

Mechanism

Weight sensing synchro-tilter

Bases

Standard Black

Optional Polished Aluminum

Sora considers every detail in its design. Featuring a weight sensing synchro-tilter, Sora automatically tilts in response to your body weight. A fully ergonomic arm option offers height and width adjustments with armcaps that slide and pivot. Sora is available in a standard Black or a Polished Aluminum base that completes its contemporary look.

Color it your way
