Spritz, come together

Mobile and comfortable, Spritz™ keeps everyone engaged. The series extends itself with work chairs in two back heights and counter/transaction height stools. The translucent, elasticized mesh back is available in a range of colors that are easy to coordinate with any Global textile. Spritz offers an economical, versatile and highly durable choice for workplace and learning environments.

Additional information can be found on the Global [website](#).

Sit in comfort

Wherever you connect, Spritz keeps you comfortable with an articulating backrest and contoured seat design. Arm and armless models offer a choice of glides or casters for multi-purpose applications. A highly durable frame ensures Spritz can withstand the demands of both office and campus life.

Nest. Roll. Store.

Create interactive spaces that promote collaboration and versatility. Spritz multi-purpose chairs have a flip-up seat and horizontal nesting capability. Arrange in groups to share ideas, then align in rows for presentations. Nest together and roll away until your next event.

Performance at an affordable price

Spritz high back task chair models are available with or without an adjustable headrest. Optional adjustable lumbar support provides personalized comfort. Spritz is GREENGUARD and BIFMA LEVEL certified, qualifications that make a significant contribution toward LEED status. Spritz is also manufactured in an ISO 14001 facility and backed by Global's Limited Lifetime Warranty.

Mix it up and make your space

Task models are a great fit for office, classroom and study hall applications. The pneumatic seat height adjustment delivers a quick fit for everyone.

Additional information can be found on the Global [website](#).

For higher heights

From laboratories to transaction environments, Spritz stools provide a great solution where elevated seating heights are required. An adjustable Chrome footrest supports varied leg lengths. Arm and armless models accommodate personal preferences and space requirements.
