

truiform

A personal fit

High back weight sensing synchro-tilter

Medium back multi-tilter

Truform® offers a range of models in with four mechanism options: tilters, weight sensing synchro-tilters, multi-tilters, and multi-tilters for heavy duty applications weighing up to 350 lbs. Its gently curved seat and back cushions provide a comfortable seating experience.

Truform caters to individual needs with various adjustment features and two back heights. Stools are available in a medium back height, with or without arms. A polished aluminum base option adds a sleek touch to this versatile chair.

Additional information can be found on the Global [website](#).
