

t/ye

Ergonomic comfort

Tye™ features premium synthetic materials and a breathable air flow mesh back, delivering long-lasting ergonomic comfort and support.

This series effortlessly adapts to your needs with height adjustable self-skinned urethane armrests and customizable seat height and depth adjustment. In addition to the armchair, all task chairs boast a five-prong, injection molded spider base with carpet casters to ensure smooth mobility.

A wide range of additional arm and caster options are available to further personalize your Tye series chair.
