The design savvy Vion™ family is at home in any work environment, offering the broadest range of models and ergonomic features. There's a Vion for everyone. Multiple back heights, two seat widths, five mechanisms, mesh or upholstered backs and heavy duty models maximize choice. With the inclusion of height adjustable stools, guest seating, counter and bar height stools, Vion becomes an excellent choice for workplace, education and healthcare environments.

Vion, a better workday

Vion is no ordinary office chair. Designed by Zooey Chu, Vion's unique back and optional lumbar adjustment provides exceptional comfort throughout the workday. Tailor the chair to your shape with adjustable seat depth and sliding armcaps. Fine-tune the back tilt and lumbar to prevent muscle fatigue and support your posture.

Vion has your back

Vion mesh colors

Dimension mesh colors

Vion's mesh backs are available in 10 Vion Mesh colors and 10 Dimension Mesh colors with three frame finishes (Black, Fog and Shadow) and an infinite variety of seating textiles, making it easy to personalize the aesthetic. Fully upholstered models are also available.

Share a vision

Creating a sustainable workplace is a concern for many businesses. Vion is manufactured in an ISO 14001 facility and is backed by Global's Limited Lifetime Warranty. GREENGUARD and BIFMA certified, Vion also contributes to LEED certification.
