Introducing Vitrola

Vitrola™ is a finely tailored, transitional reflection on the 19th century French Empire style. Simplified geometry and proportions make it right for the times.

To meet the needs of commercial applications, Vitrola features contract grade construction throughout. The series includes single seat lounge chairs (in two back heights), two and three seat sofas and an ottoman.

Seating shown in Arc-Com Hush, Mist with Shaker Cherry legs.

An empire re-imagined

The workplace continues to draw on the residential experience to temper the face of technology, reminding us we are more than just another nine to five generation. Coordinating accent pillows and ottoman complete the series.
