High back armchair with Chippendale legs

The timeless elegance of the Wingback series makes it a design that truly stands out its small scale makes it ideal for any lounge, lobby or common area, in addition to patient or family rooms. Developed in consultation with leading healthcare professionals, Wingback has been ergonomically designed after carefully assessing the needs of those in care.

The Wingback chair features Chippendale legs. The Chippendale design is timeless and complements most decor. For added comfort, seats are standard with Ultracell foam with front waterfall edge. The seat cushion is removable for ease of housekeeping and replacement if required.

Cover: Shown in Barenthal, Driftwood with Shaker Cherry finish.
