

A modern office partition system featuring glass panels and wood-grain panels. The system includes a white horizontal shelf and a white vertical support. The glass panels are held in place by silver-colored metal brackets. The wood-grain panels are dark brown. The overall design is clean and professional.

Wellness Screens

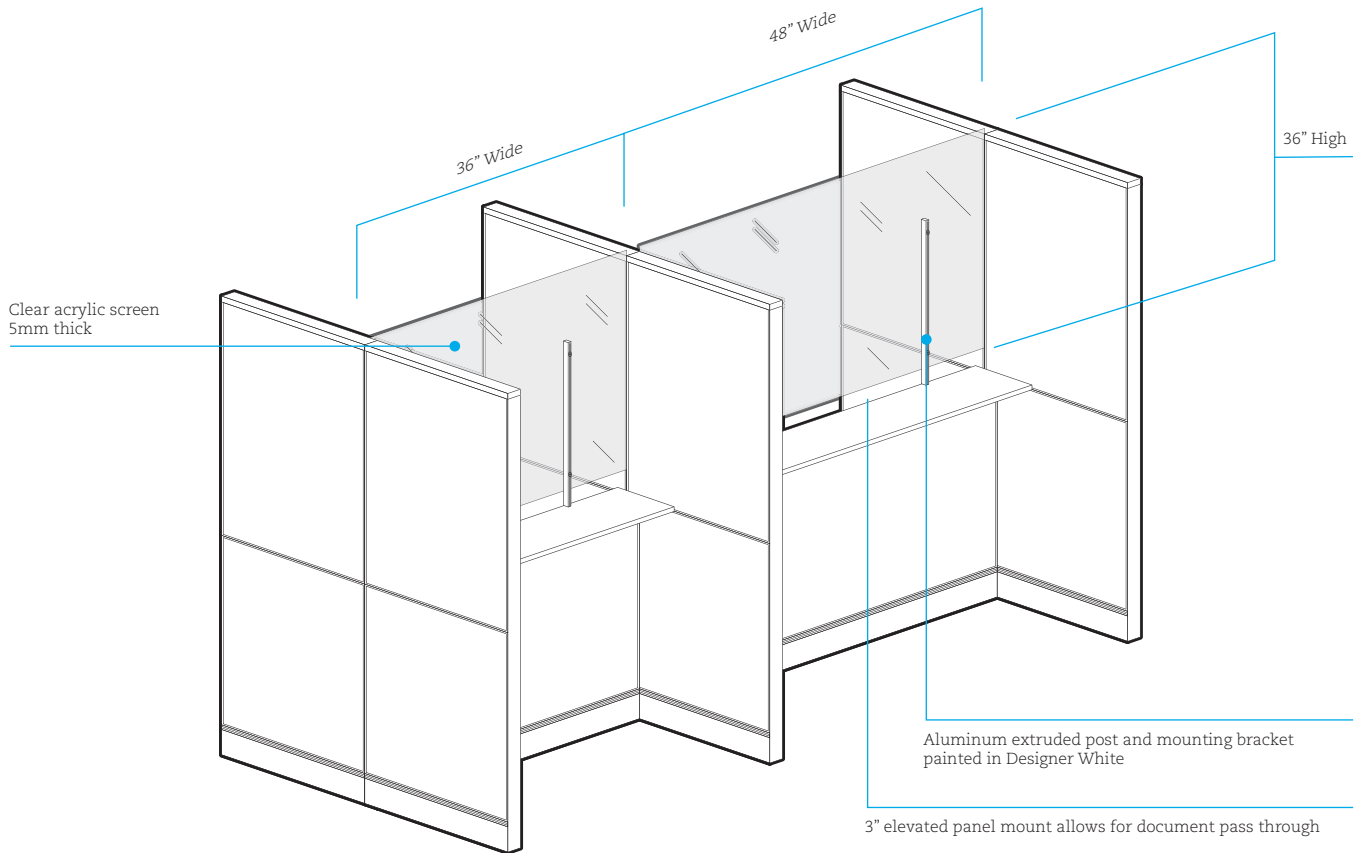

Protective barriers to help prevent the spread of germs

Provide your employees and customers with a protective barrier to help prevent the spread of germs. Often referred to as sneeze guards, these screens are designed to integrate into reception, open plan offices and point of sale areas. Made from clear acrylic, these screens are easy to wipe clean and sanitize to help maintain a healthy environment. Several mounting options allow the screens to be easily secured and removed without damaging the existing furniture or used as a permanent fixture.
