The following applies to all series **EXCEPT Princeton**. For information on the **Princeton** series, please refer to page 60.

- Outside and surface panels are made from 1" thick 45 lb. density particle board and covered on both sides with high performance thermally fused laminate. Modesty panels are $\frac{1}{16}$ " thick.
- **FILE DRAWERS** use full extension steel ball bearing slides for smooth action.
BOX DRAWERS use $\frac{3}{4}$ extension steel ball bearing slides for a smooth action.
- **BOX AND FILE PEDESTALS** are standard and are constructed independently of the chassis, with fully closed bottoms. This picture frame construction technique prevents racking, and provides a product that lasts for years.
- **FILE DRAWERS** file legal and letter documents as standard (letter files will file in both directions, as will lateral files).
- Drawers and end panels are **EDGE BANDED** on all four sides to protect clothing and the floor covering.
- Locks are standard on all box and file pedestals, lateral files, storage cabinets and combination storage units.
- All locking components within each series can be keyed alike at no additional charge. Please specify the request at time of order.
- Standard key numbers are 401 through 440.
- Drawers are opened with side pulls and are constructed 22" deep (Genoa 18"D). Woodgrain enameled bottoms are routed into the woodgrain (MDF) sides on three edges.
- Pencil tray included with each desk.
- **LEVELING GLIDES** are standard on all units.
- All units are **shipped fully assembled** (except where noted) on 1" x 3" thick wood furniture skids with pedestal supports inside high quality cartons.
- **ALL "L" SHAPED DESKS** have flush backs on the return (modesty panels).
- Additional options available include (add suffix to item number):
FM = full modesty panel. Available on any desk or credenza. **Add \$62.** (Standard on Adaptabilities & Zira.)
FP = full modesty panel. Available on any desk or credenza. **Add \$62.** (Genoa only.)
- Desks with full to floor pedestals **cannot** have $\frac{3}{4}$ modesty panels.
- Corners must have matching modesty panels (both sides must be either $\frac{3}{4}$ or full modesty panels).
- **Modesty panels** on corners will be 1" above the floor. **Modesty panels** on returns are flush with the floor. It is recommended that corner units are used for corner spaces when configuring workstations so there is no visible difference if a corner is connected to a return.
- Optional grommets are available. **SEE EACH series** for details. **Add \$91.**
- Global will consider custom, specials and product alterations on an individual basis.
- Desk series can only be made in **standard Global laminates**.
- **PLEASE REFER TO SERIES FOR AVAILABLE FINISHES.** The following desk finishes are offered:

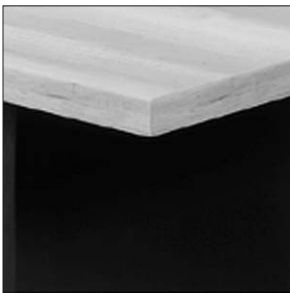

WOODGRAINS:	Absolute Acajou (ACJ) Asian Night (ASN) Avant Cherry (AWC) Avant Honey (AWH) Clear Maple (CMB) Dark Espresso (DES)	Fashionista (FAS) First Class (FCL) Noce Biondo (NBL) Noce Grigio (NGL) Noce Leggero (NEL) Noce Medio (NML)	Quartered Mahogany (QTM) Sheer Beauty (SBY) Walnut Heights (WHE) White Chocolate (WHC) Winter Cherry (WCR)
