The Aldon series offers affordable and personalized furniture solutions for patient or resident rooms. Highly durable, Aldon's clean lines and simple design provide built-in quality to meet the demands of any healthcare environment. Tops, gables and backs are engineered for on-site maintenance and replacement to ensure long-term performance. The design incorporates smooth surfaces with a straight profile and durable finish options, demonstrating respect for housekeeping and infection prevention control practices. A 3mm PVC edge on tops, drawer and door fronts provides peace of mind for greater performance. The vast array of product and finish selections allow for individual choices while complementing the design objective. Aldon is the ideal balance of value and style.

**ACCESSORIES**

For Aldon accessories, please refer to the models listed under Sonoma:

- Safety garment hook: page 33
- Headboards/footboards: page 34
- Wardrobe mirror (for door 11"W x 29"H): page 34

Sonoma offers superior construction detail in an extensive selection of furniture pieces to fit the personal storage requirements of various lifestyle environments including long-term care, retirement, senior living residences and hospitals.

Features distinctive aluminum extrusions on all leading corners allowing for a continuous connection of chassis panels from top-to-bottom providing enhanced performance and durability. The aluminum extrusions offer increased protection from the impact of mobile equipment and furniture used in demanding healthcare environments.

Products have ventilation and drainage features built into the unique design providing air circulation and drainage where required. Products are freestanding allowing access underneath for cleaning.

Features decorative fascia options to enhance the decor of any environment with the additional benefit of providing a safety guard to prevent items from falling behind units.

Wardrobe cabinets offer a safety garment hook with a safety feature to support a maximum of 75 lbs. The J-style safety clothing rail ensures maximum wellbeing and peace of mind from accidents.

Multiple needs and requirements are met with the several styles and a variety of interior configurations.

**Features and Benefits**

- Tops for units 37.5" or lower are constructed with 1" high pressure laminate.
