STANDARD FEATURES

- Quora brings the look and comfort of contemporary lounge seating to a casual work chair with passive ergonomics. The sculpted seat and back move independently, creating a 1:2 synchro-tilt ratio that corresponds to the natural motion of the body when reclining.
- Quora is standard with a weight sensing synchro-tilt mechanism with multi-position tilt lock and adjustable seat depth.
- Models are available with a five prong base, standard in black nylon with an optional polished aluminum base, see upcharge.
- The height adjust cylinder finish matches the base finish selection and has a 4" range with a seat height of 17.5" to 21.5".
- Casters are 50mm (2.16"), Black, dual-wheel for carpet (C114), standard. Hard floor casters (C114R) are available, see upcharge.
- The series is available to specify with two textiles, one for the seat cushion and one for the back. For pricing, start with the base price and add upcharges for both the back graded textile upcharge and the seat graded textile upcharge. Upholstery options include fabric, coated textiles or leather.
- Note the Blended Textile Matrix is not applicable to this series when specified as noted above. For other multi-fabric applications, contact Customer Care.
- Global's limited lifetime warranty applies. Weight capacity is 300 lbs.
