

Introducing the Corby Collection of wood veneer and laminate desks, tables and storage elements. Christopher Wright has reflected on the mid-century modern vernacular to design a unique series of workplace furnishings that reward a new generation of pioneers and nation builders.

Corby is suited for any office environment, private office, boardrooms, open desking and collaborative areas. Its timeless design is expressed in subtle details - flared legs that elevate storage off the floor, tapered aprons on the bottom of storage pieces which reflect the knife edge detail of the worksurface. Standard height and counter height tables combined with tiered storage pieces offer a reprieve from formal boardrooms and deliver a more casual style for meeting areas.

Corby is a fresh take on desking, blending the warmth and comfort of residential-style furniture with the features and long lasting quality you'd expect from Global.
